## I. Recognition of New Groups, GSRs and Alt. GSRs

## II. Sharing session (Open Forum)

Paul H wanted to discuss struggling groups (Key to Recovery closing)

Why are they struggling.....?

Chris Z mentioned maybe members could commit to attend struggling meetings. Maybe RCM could mention it at regional level. Maybe members can change home groups.

Heidi G stated that she'd commit to attend struggling meetings, Josh seconds that.

Diane P stated it's a matter of commitment.

Megan mentioned changing formats, spicing it up.

## **V. Subcommittee Reports**

### ACTIVITIES SUBCOMMITTEE

No Report

### PI SUBCOMMITTEE

Dear PI committee

The following is what we have to discuss on the agenda

1. ELVCNA- ELVANA websites .....Bill and Max
2. Vice chairs position
3. Meeting list next printing, .....Jimmy Tom
4. PI becoming adept at listing the PI NA contact information through the web, .....PI

5. Hiring NA member to do the initial foot work and possibly train a PI member to take the lead on continued web exposure.....PI
6. What additional services should we be providing , or do we use the region as a focal point to assist the local PI in beginning to provide some local services,
7. What about personal recruiting, in specific areas that would prove productive in promoting local PI service.....PI
8. Do we need anything on our budget for the next coming year,

In the last ASC Bryan for the BOT reported on what they needed to consolidate the ELVANA and the ELVCNA websites,

I did send out an email verifying what services the BOT needed and have asked if we are able to provide these services I believe the main point is mass email capabilities which does not seem like a special tool that a web site would have however the ability to capture the emails address who are enquiring about the ELVCNA convention and the emails of individuals who are paying for the ELVCNA convention putting this into a growing data base would be most important for the BOT,

If we can accommodate the BOT with this through the ELVANA website then I think we have accomplished our task.

### H&I SUBCOMMITTEE

We met this past Saturday 7/10, Only myself and the Vice chair [Dan M] were in attendance.

Due to the HDC panel leader George M being out of town, I did not receive a report from him pertaining to the Henderson Detention Center

and do not know whether or not he was able to bring in the panel this past month. The Vice chair said he would follow up with George before the next subcommittee meeting.

The LVRC speaker panel has been going into the facility on a weekly basis and seems to be going well.

I sent an email to the new Regional H&I Chair Tammy, and informed her that we had just had our elections and that I have moved into the chair position and that Dan M is now the vice chair. I also added that we (ELVANA H&I) are looking forward to participating on the regional H&I subcommittee and to keep me in the loop.

In loving service

Chris Z  
H&I  
Chair

### LITERATURE COORDINATOR

7/11/10

Picked up literature from Tom L on 7/2/10 from his house. Have not had time to go through and do an inventory, but did get all the orders out to the homegroups. Still in the process of learning excel to maintain an accurate count of all the literature.

Respectfully,  
Joe S

BOT report

11 July 2010

Dear ASC,

Only 75 days left until the ELVCNA 2010 Convention. Pre-registration numbers are still extremely low and there is only approximately one month left to order your Trusted Servant Camp Shirt. If you have not yet seen this merchandise, most BOT members and some coordinators are taking samples to miscellaneous meetings around the valley.

We are still asking for addicts willing to serve for various convention related tasks, i.e. readers, registration, merchandise, recovery meetings, etc., so please speak to me, Tim K., Christine H., Eddie V. , Brad G., Megan S., Josh K., Nancy S., or George M.

Last but not least, the BOT is proud to report that with the tremendous help of Max W., you can now register for the convention online on the Area Website. GSR's, please announce this at your home groups, it will also be put on the Announcement sheet. Thanks again to Max W., Bill P. and Paul H. The Convention information is currently on the Regional website, but we are trying to get a link to our flyer and online registration. The regional webmaster has agreed to complete this by tonight. BOT will follow up. Also, the BOT will have members at the CAN Convention this next Sunday for Pre-Registration on Sunday. Many thanks to Josh and Megan for manning the booth next Sunday.

BOT will have a second mailing of the flyers on July 28th. Also, let me know if the Area needs more flyers. REMEMBER TO REGISTER NOW.

In loving service,  
Bryan S.  
BOT Representative
